

## SPECIAL ASSEMBLY— A REPORT

*'Like a phoenix emerging from the ashes, I rise, burying old skeletons, I move forward. Suppressing my fear, with a newfound hope- I walk into the light'.*

On **Thursday, May 16th, 2024**, the students of Class III B organized a thought-provoking assembly centred on the theme of the year - '**Phoenix**'. The assembly explored the fear, widely prevalent in current times, regarding our uncertain future and highlighted the concept of triumph over adversity. The students eloquently conveyed the message that new beginnings empower individuals to embrace change, face challenges, and determine their paths.

The assembly was conducted in the school auditorium and commenced with a profound thought of the day, which shed light on the symbolic significance of the 'Phoenix'. Thereafter, the students provided a news update to raise awareness about current events from around the world.

The assembly also featured a graceful dance performance symbolizing the resilience of the phoenix bird. A captivating video presentation explaining the symbolism of the mythical bird, 'Phoenix', and a thought-provoking skit illustrating strategies to overcome challenges were the highlights of the assembly. Further, an eloquent poetry recitation added to the enriching experience.

Overall, the assembly was a truly immersive and informative event for all attendees.
