

## **SPECIAL ASSEMBLY BY THE STUDENTS OF** **KINDERGARTEN-C**

### **THEME-‘REPUBLIC DAY’**

The students of Kindergarten-C presented a special class assembly on Wednesday, 14<sup>th</sup> December 2022 in the school auditorium. The theme of the assembly was ‘Republic Day’.

After weeks of rigorous practice, the children presented the show in front of their parents and all teachers and students of EYP and PYP. The assembly began by taking the blessings of the almighty God. This was followed by a skit based on the three Armed Forces of India (Army, Navy and Air Force), their relevance, importance as well as their different practices. This was depicted through the story of a few children who go to see the Republic Day parade with their class teacher. There they learn about the different wings of the armed forces by observing the marching contingents of the armed forces and through inputs shared by their teacher.

The children looked lovely in their costumes and were full of enthusiasm to present their programme. After the final dance performance, the audience was requested to participate in the question and answer round. Children were quizzed based on the theme of the assembly. The parents too were requested to share their views on the importance of Republic Day. The show concluded with the singing the national anthem by all.

The parents of Kindergarten C were very appreciative of the efforts made by the children and the teachers. At the end of the show children presented the parents with a tri colour kite book mark takeaway as a token of thanks.

And this is what our parents had to say.....
