

ENGLISH AND SPORTS WEEK - REPORT

“Learning is not the product of teaching. Learning is the product of the activity of learners.”

–John Holt

Education is not only learning of facts but also training of minds to think. Learning is fun and easy and not a strenuous task when we are having a good time. To make learning a joyous experience, English and Sports week was observed from Monday, 21st to Friday, 25th November for classes I to IV. The classroom became a hive of active learning with ardent students participating in a variety of activities.

RECREATIONAL TRIP:

One of the best memories, we carry of our school life is certainly of the **school trips** and picnics which were full of fun and learning. School trips provide

children an opportunity to come out from the confines of their homes and groom themselves to get ready to face the challenges of life independently. The trip to **Madhavgarh Farm on Monday, 14th November 2022** added significantly to the overall personality development of the children and brought out their inner qualities like leadership, team building, trust, and respect. Students were energized by the excitement and enjoyed a lot.

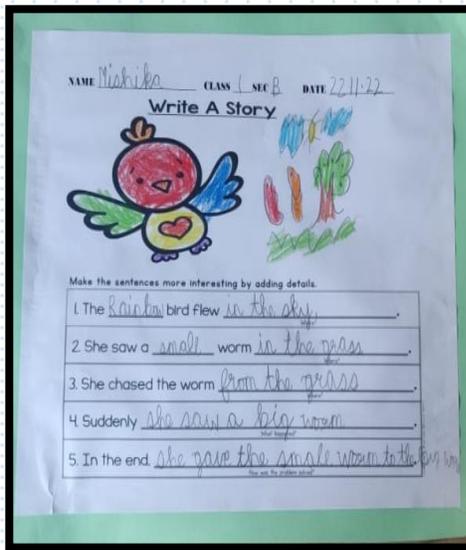

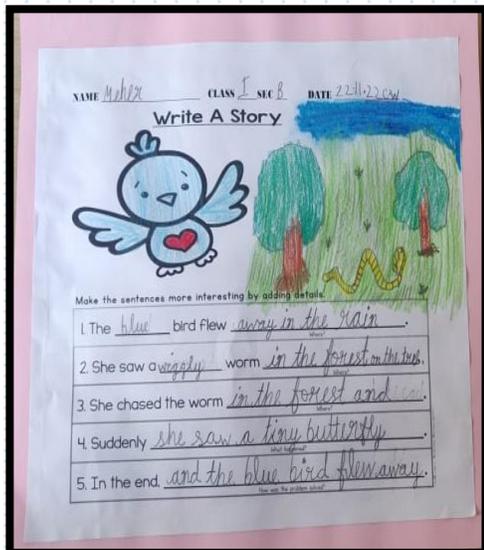

A **plethora of activities** conducted during the week aimed at inspiring students to devote themselves wholeheartedly to **nurture their health** and enhance their **language skills**.

Classes I & II

ACTIVITY: Story Writing

The activity “**Story Writing**” on Tuesday, 22 Nov. 2022 gave the children an opportunity to learn and share their views on a variety of topics. The students were introduced to the **lifelines of a story** – ‘**Title**’ and ‘**Body**’. Story writing is an ancient art form that has been used to entertain, educate, and inform people for centuries. It is a way to share experiences and feelings and to let people know about different cultures and way of life. So, Grade I and II students were guided to compose a story and illustrate it appropriately. They used their imagination to make their stories lucid and interesting.

Classes III and IV-

ACTIVITY: 'Playing the Devil's Advocate'

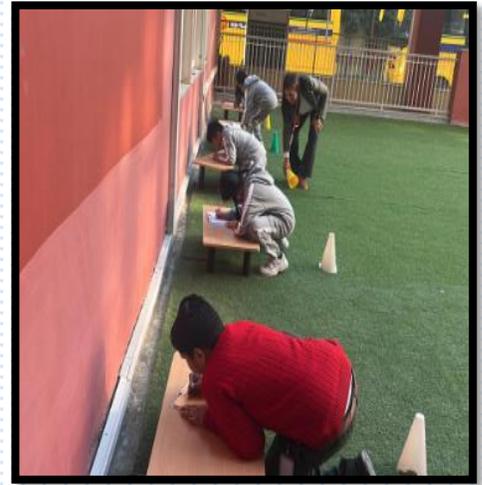

The students addressed their peer group confidently and advocated them to be a player and speaker for a successful life on Tuesday, 22nd November 2022. In the activity 'The Devil's Advocate' the students, took the opposite stand from their personal beliefs when they composed and later expounded on different topics. This helped them in perceiving things in a different way and understanding the other person's point of view.

ACTIVITY : 'WORDLE RELAY RACE'

Students enhanced their language skills in a fun way by participating in a specially designed "Wordle Relay Race" on Wednesday, 23rd November 2022. The children were full of enthusiasm and looked forward to participating in these races. They juggled and brainstormed to form different words/ sentences. It was an activity which surely triggered their mental and physical strength to work with full zeal. The '**Wordle Relay Race**' added fun and joy to the week. The activity served as **a tool for the students to learn the language while engaging in a sports activity like the 'Relay Race'**.

Classes I & II

POETRY RECITATION COMPETITION

Students enjoyed the beauty of expression, thought, rhyme, rhythm and music of words by reciting poems with appropriate actions on Thursday, 24th November 2022. They learned to rhyme words and form lovely poems. It was a great and productive learning day for students. The students also learned about some poetry tools while participating in the

‘Poetry Recitation

Competition’. Recitation being an imperative and effective mode of learning a language, the students participated with full zest and enjoyed the event. This filled our hearts with exuberance and enthusiasm, to see the students reciting interesting and thought-provoking poems about sports and their important aspects.

Students were appreciated for their work and certificates were given to the following students:

ENGLISH & SPORTS WEEK
ASSEMBLY

The highlight of the week was the **Special Assembly:**
“AUTHORS MEET” conducted on **Monday, 21st November 2022.**

To **ignite interest in the English Language**, we invited six students from Middle and Senior Wing of our parent branch, Suncity School, Sector – 54, Gurugram.

These are children who have the accomplishment of being published authors to their credit. They shared their expertise and experiences in their capacity as authors of books which have received critical and popular acclaim.

Their presence was instrumental in motivating and encouraging the students to improve their language skills, both in terms of speaking and writing.

The guest students read excerpts from their respective books and shared their journey of becoming 'Authors'.

Later, the students enjoyed an interactive session with them. This **assembly also enabled our students to appreciate different genres of books.**

The **English and Sports week** was an **informative and educative week** that helped the students to enjoy learning the English language with even more intent and vigor. The **enthusiasm, devotion and passion** with which the **students** got engrossed in the activities was indeed praiseworthy.
