

LABOUR DAY REPORT

“There is no joy without gratitude”.

With this beautiful thought in mind, we celebrated Labour Day on Monday, 2nd May 2022 at Suncity School. Students expressed their gratitude to the support staff for their services, love and care that they provide throughout the year. The students themselves served food and sweets to the support staff to express their appreciation and affection. Students made lovely cards and handed over these to their nannies, lady guards, bus drivers, conductors etc. as a gesture of thanks.

Our Head of the School, Ms. Nandita Mathur thanked the entire team of support staff for their excellent services
