

“A WORKER IS A CREATOR AND A GREAT ASSET TO THE NATION.”

On **Monday, 1<sup>st</sup> May 2023**, a special assembly was organized to commemorate **Labour Day**, a day dedicated to celebrating the contributions and achievements of workers around the world. On this day, Suncity students paid their humble tribute to the hardworking men and women who have contributed to the growth and development of our society.

Labour Day is an occasion to reflect on the importance of work and the role that workers play in our lives. It is also a time to renew our commitment to ensuring that workers are treated fairly and justly. Keeping this thought in mind, students of Grade II A presented a special assembly on the theme of Labour Day. The assembly started with a morning prayer to seek the blessings of the almighty. This was followed by a short skit on the significance of Labour Day.

Through the skit, the children recognized and depicted the struggles of workers who have fought for their rights and dignity over the years. They honoured their sacrifices and lauded the progress that has been made in ensuring better working conditions for the working class. In conclusion, the children wished them a happy Labour Day and expressed their commitment to supporting their efforts to make our world a better place.

In our school, we recognize the contributions of all workers, including the house keeping staff, janitors, and other support staff. We are grateful for the hard work and dedication that they bring to their jobs every day. The children expressed their gratitude towards the support staff by making ‘**Thank you**’ cards for them, a day prior, and then presenting it to the various ‘didis’ and ‘bhaiyas’ in school on 1<sup>st</sup> May. The students also served food and sweets to the support staff (nannies, lady guards, guards, bus drivers, conductors etc.) to express their appreciation and affection.

Our Head of the School, Ms. Nandita Mathur thanked the entire team of support staff for their excellent services.
