

INTERNATIONAL TIGER DAY ASSEMBLY

GRADE I A

"Tyger! Tyger! Burning bright, in the forest of the night, what immortal hand or eye, dare frame thy fearful symmetry?" - William Blake

To commemorate the 'International Tiger Day' and to promote awareness about the conservation and expansion of wild tiger habitats, the students of Grade I- A presented a special assembly on Thursday, 27th July 2023.

The assembly started by taking the blessings of the almighty followed by short skit 'The Tiger's Tale' which threw light on how humans have damaged our eco system affecting all life on land.

Humans have caused severe damage to the planet's eco system through deforestation, loss of natural habitats and land degradation. SDG 15- Life on land- aims to protect, restore and promote sustainable use of our eco system. The children expressed how these magnificent creatures will be on the verge of extinction if we don't join our hands to save them.

International Tiger Day 2023 is celebrated and observed worldwide as an awareness program on **July 29th** every year. By its efforts, the WWF aims to double the number of wild tigers in 2023.

The short skit was followed by the well-known poem, 'The Tyger' by William Blake. The students of Suncity also pledged to choose forest-friendly products and committed to preserving nature's beauty for future generations as also their support to protect and conserve our national pride – the Tiger.

The little wonders of Grade IA left everyone spellbound by their oratory and acting skills. The assembly culminated with the Head of School, Ms. Nandita Mathur Ma'am's words of wisdom.
