

SPECIAL ASSEMBLY BY THE STUDENTS OF **KINDERGARTEN-D & PRE-NURSERY A** **‘THE BOND OF TRUE FRIENDSHIP’**

The special class assembly of Kindergarten- D & Pre-Nursery A was conducted on Friday, 16th December 2022, in the school auditorium. The theme of the assembly was 'The bond of true friendship'.

After weeks of rigorous practice, the children presented the show in front of parents of Kindergarten-D and Pre-Nursery A students, all teachers and students of EYP and PYP. The assembly began by taking the blessings of the almighty God. This was followed by a skit based on the story of Lord Krishna and his friend, Sudama. The story depicted that the most precious gift one can receive is that of an honest friend. God has gifted us with many relationships whether it is father, mother, son or a daughter but the connection formed through the bond of friendship is a very special relation. An honest friend is always ready to help us through thick and thin.

Lord Krishna was a king and Sudama was a poor brahmin who was not influenced by the material world. They had not met for years but when Sudama's wife insisted that he go to meet Lord Krishna so that they could lead a good life, he agreed to go to Dwarka to meet Lord Krishna. Lord Krishna welcomed his childhood friend with great love and respect and greatly appreciated Sudama's humble gift. The children learnt that one should value the gesture and not the cost of the gift given.

The objective of the assembly was to make children aware of the importance of friends in one's life and to learn an essential life skill of making friends.

The children presented a dance number on the song '**I have my friend with me**' at the conclusion of the show. They participated enthusiastically and did a wonderful job in showcasing their talent.

After the dance performance, the audience was requested to participate in the question and answer round. Children were quizzed based on the theme of the assembly. The parents

too were requested to share their views on the proverb 'A friend in need is a friend in deed'.

The show concluded with the singing the national anthem by all.

The parents of Kindergarten D were very appreciative of the efforts made by the children and the teachers.

And this is what our parents had to say....
