

HOUSE MEETING- A REPORT

"Coming together is a beginning, staying together is progress, and working together is success." - Henry Ford

On Friday, 21 April, 2023, a House Meeting was held at Suncity School -45 which the students from all four houses - ARCTIC, ATLANTIC, PACIFIC and INDIAN house- attended. The House meeting was organized to discuss the objectives of having the system of 'Houses' in school, and to give students information about each house.

The meeting was quite interactive, with students from different classes coming together to participate. The students learnt about the concept of 'Houses', and how it promotes a sense of belonging, teamwork, and healthy competition among the students. Thereafter, further information regarding the colour, motto, symbol etc of each house was shared with the students. Fun activities were conducted which helped students to develop a sense of camaraderie with their fellow house-mates.

The meeting helped to create a sense of unity and excitement among the students, and it is hoped that this will translate into greater participation and involvement in the various house activities in the future.

Objectives

- To foster a strong school spirit and create bonding amongst students
- To encourage mass participation in school wide events- inter and intra house activities
- To create more leadership opportunities for students
- To manifest talents and develop a holistic personality
