

MOTHER'S DAY & INVESTITURE CEREMONY- REPORT

“The loveliest masterpiece of the heart of God is the heart of a mother.”

Our school organized a memorable event that consisted of two significant celebrations! The Investiture Ceremony and Mother's Day Celebration. The day's celebrations were an unbridled outpouring of pride, honor and appreciation, for both the student leaders and our incredible mothers!

Mother's Day is an annual celebration that honors mothers and mother figures for their love, care, and contribution to their families and society. Of all the bonds we share during our lifetime, the most special one is the one that we have with our mothers! A mother selflessly fulfils all our desires and cares for us till her last breath. ‘**Mother’s Day**’, a day especially dedicated to cherish motherhood was celebrated with great jubilation at Suncity School, sector - 45. On **Saturday, 13th May 2023**, a series of performances were organized to honour the most sacrificing and loving souls, our mothers. The PYP students participated wholeheartedly in the celebration. The event had a picturesque and family-friendly environment and attracted a large number of attendees, including families, children, and individuals of all ages of our Suncity community. The festive atmosphere spread joy and excitement in every heart.

The event commenced with a welcome song followed by the lighting of the lamp by the distinguished **Chief Guest, Ms. Pooja Sodhi**. Ms. Sodhi, **CEO Combonation**, is a mother, a Suncity parent and a very successful entrepreneur. We were also honored to have as our **special guest, Ms. Jasvinder Kaur Vedi**, a Suncity grandparent whose presence was a benediction for us all .

The school Head Girl, Aadya Minocha, gave a rousing welcome speech acknowledging the significant role mothers play in society and took the show forward. The sensational performances by the children as they sang and danced added vibrancy to the event. Viewers appreciated the sincere emotions and gratitude in the hearts of students which they expressed through these heart-touching performances dedicated to all mothers. The heartfelt speeches, poems, and songs also showcased the love and appreciation towards the most benevolent people on earth- our mothers.

Mothers were given special importance so as to strengthen the bond between mothers and their children. Attractive photo booths were set-up, where families could capture precious memories together.

In addition, as already mentioned, we also conducted the Investiture Ceremony which is an annual event that marks the appointment of new student leaders who will represent the school throughout the academic year. This event holds great importance as it recognizes the leadership qualities and potential of our students. The ceremony took place in the school auditorium and was attended by students, teachers, parents, and special guests.

It commenced with the march past which helped in emphasizing the value of leadership and the responsibilities that come with it. The new students' council members were then announced and called upon the stage to receive their badges and sashes. The most beautiful part of the 'Investiture Ceremony' was the pinning of badges which was done by the dear mothers of the students' council members. It encouraged the newly elected leaders to fulfill their roles with utmost commitment and integrity.

The oath, administered by one of the senior students, inspired the student leaders to pledge to serve their school and fellow students to the best of their abilities. The ceremony concluded with a round of applause for the newly appointed student council post holders and an inspiring speech by the guest of honour. The ceremony was met with tears of joy and smiles of pride from the audience.

The Investiture Ceremony and Mother's Day Celebration were both remarkable events that brought together the entire school community. The Investiture Ceremony recognized and empowered student leaders, instilling in them the values of responsibility and service. Simultaneously, the Mother's Day Celebration allowed students to express their love and gratitude for their mothers, making the beloved mothers feel cherished and special. These celebrations not only added joy and happiness to our school environment but also served as a reminder of the importance of leadership and the profound impact of a mother's love. The events were a testament to the nurturing and supportive atmosphere our school provides, fostering growth, appreciation, and respect.

Overall, the Investiture Ceremony and Mother's Day Celebration were successful and meaningful events that created lasting memories for everyone involved. They showcased the talent, dedication, and unity of our school community, leaving a positive impact on the hearts and minds of students, parents, and teachers alike.
